

HONEYWELL GROUP LIMITED AND HONEYWELL INTERNATIONAL INC. ANNOUNCE LEGAL SETTLEMENT IN NIGERIA

Lagos, Nigeria, Nov. 13, 2013 – Honeywell Group Limited, additionally referred to as The Honeywell Group, and Honeywell International Inc. today announced a settlement agreement that will allow both companies to continue to meet their business needs and those of their respective customers in Nigeria.

Honeywell Group Limited, a foremost diversified indigenous conglomerate has operated in various sectors of the Nigerian economy since the early 1970s. Honeywell International Inc. has sold products and solutions for the process solutions industry in Nigeria since the late 1970s.

Honeywell Group Limited will continue to use its registered trade name while Honeywell International Inc, will rename its current joint venture in Nigeria to Automation and Control Solutions Ltd. to avoid any confusion with customers of The Honeywell Group. Both companies will maintain their trademark rights in Nigeria in their respective business channels. The legal agreement reached further states that the parties will work together in good faith to ensure that the concurrent use of their trademarks will not cause confusion in the mind of the public.

The companies are pleased to have this issue behind them and look forward to serving their respective customers in Nigeria. Honeywell Group Limited remains steadfast in serving its customers and providing excellent products and services for which it has been known since inception. Honeywell International Inc. remains committed to its customers in Nigeria and will continue to conduct its businesses as its operating in the region today.
