Certification pertains exclusively to the specified management system and does not broaden the scope of the conformity decision to encompass proprietary products, processes, or services. References to sources of controls sets applied within the Statement of Applicability do not represent certification thereof. A unique identification code incorporated in this certificate, along with the certification body's seal and the accreditation mark, must not be cited in advertisements or promotional materials tailored to specific products or services. The certified organization agrees to continue to comply with the obligations detailed within its certificate agreement and in conformity with the underlying schemes comprising the certification criteria. Mastermind Assurance, LLC maintains its operations at 44 Milton Avenue #1026, Alpharetta, Georgia, 30009, United States. This certificate of registration is issued without any explicit or implicit representations or warranties, including but not limited to assurances regarding the qualification or suitability of any particular product.

The management system is applicable to the explicitly identified product and service areas under the control of the certified organization, including all associated activities related to the development, implementation, and maintenance of site-specific services and products at the listed certificate locations.
