

Honeywell

Honeywell Named a Leader in Manufacturing Execution Systems 2 years in a row!

SoftwareReviews, a leading source for insights on the software provider landscape, has published its **2025 Manufacturing Execution Systems – Midmarket Emotional Footprint Report**, where vendors were rated across key customer relationship metrics and value drivers that make up their overall customer experience (CX) score. Honeywell was named a Champion in the category for the second year in a row.

100% Customer Renewal Rate

A high renewal rate can be seen as an indicator of the value that a solution provides, as well as its ability to deliver a positive ROI over time.

Ranked 1st

Product Experience: Where Honeywell Leads

Users consistently rank Honeywell higher than the industry average across critical product features—highlighting its practical value and ease of use.
